

Greetings friends, as Harvey's @ The Henderson adapts to the COVID-19 virus mitigation efforts, allowing only "to go" orders and curbside pickup, we are bringing our famous Sunday Brunch to your car. Delivery will be available curbside, our private car park in the back or our reserved spots across the street.

All payments will be taken over the phone to limit contact during these trying times. Please call us as early as possible with your order so we know how much to prepare.
